Policy Sessions at Convention

Policy 101: A high-functioning school board must be confident in its ability to create and monitor policy that promotes the district's vision and Board goals. To embrace your role as an effective board member you must begin with an understanding of board policy. If you seek such a foundational knowledge of school board policy, this session will be beneficial to you.

Discover the CASB policy resources available to you and walk away ready to be a contributor to effective policymaking with your board team.

Policy 201: Are you a returning board member looking to elevate your grasp of policy? Join us for an impactful session where we'll delve into best practices for policy management, gain insights into the policy adoption process, and explore the array of CASB resources tailored for your district.
