

CASB BRIEF - November 21 Vol. 15

Professional Development Newsletter

CASB's Convention is HERE!

Our 84th Annual Convention is just around the corner! Here are some important changes from previous years that you need to be aware of:

1. The exhibit hall will be inside Bartolin Hall along with all meals.
2. The Welcome Reception will take place inside Bartolin Hall along with all of our exhibitors on Thursday at 5:30 p.m.
3. The general session's will now be taking place in Broadmoor Hall ACD, which is next door to the original location.
4. Covered Treasures bookstore will have a booth outside of the general sessions in order to do book signings with all three of our keynote presenters.

We also have some incredible new breakout sessions this year for members to attend, including:

- **Navigating Artificial Intelligence Policy in an AI World** - This presentation will identify the Opportunities and Risks associated with the use of Generative Artificial Intelligence models such as ChatGPT. Participants will take will have a firm understanding of why and how policy guardrails need to be set for teachers, students and district staff.
- **Decreasing and Managing Polarization and High Conflict in Our Schools** - This session will discuss strategies to decrease polarization and keep our systems in a place of productive, healthy conflict-- an important ingredient for progress in our districts!

AI in Education Survey

This survey is supported by a partnership with the Colorado BOCES and CASB. The results will be part of a scheduled session on AI at the December meeting. Please share your thoughts about AI in Education.
