### 2024 Title IX Regulations Struck Down

After nearly nine months of Title IX litigation that created a patchwork of enforcement of new rules across the country, a federal court released [an order](#) last week to completely rescind the April 2024 Title IX regulations nationwide. Although the Biden administration could appeal the order to try to reinstate the regulations, it is unlikely to do so as the Trump administration will begin on January 20th. Districts now must comply with 2020 regulations. We encourage you to consult legal counsel, and we will also be available to answer questions. We will also publish a new version of the Title IX Policy (AC-R-3) in our next SPU.
