

2021-2022 Annual Report

Colorado school boards are the caretakers of public education

CASB is a nonprofit membership organization that helps school board members in Colorado connect and share ideas while promoting the interests and welfare of Colorado students.

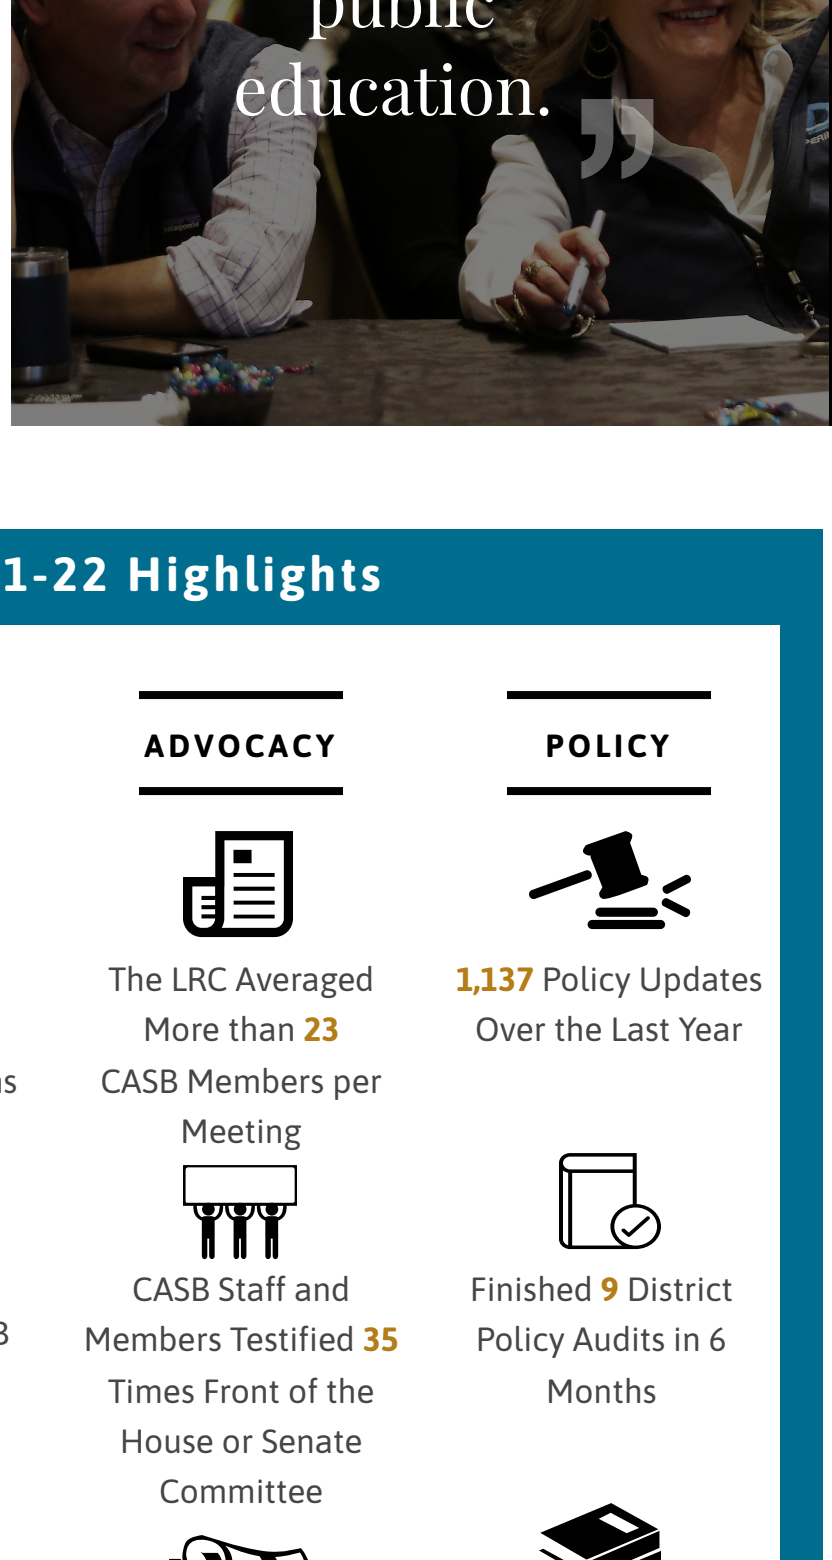

Leadership
Strong, effective schools are the result of strong, effective and well-informed local school boards.

Local Governance
Strong, effective schools are reflective of the communities they serve.

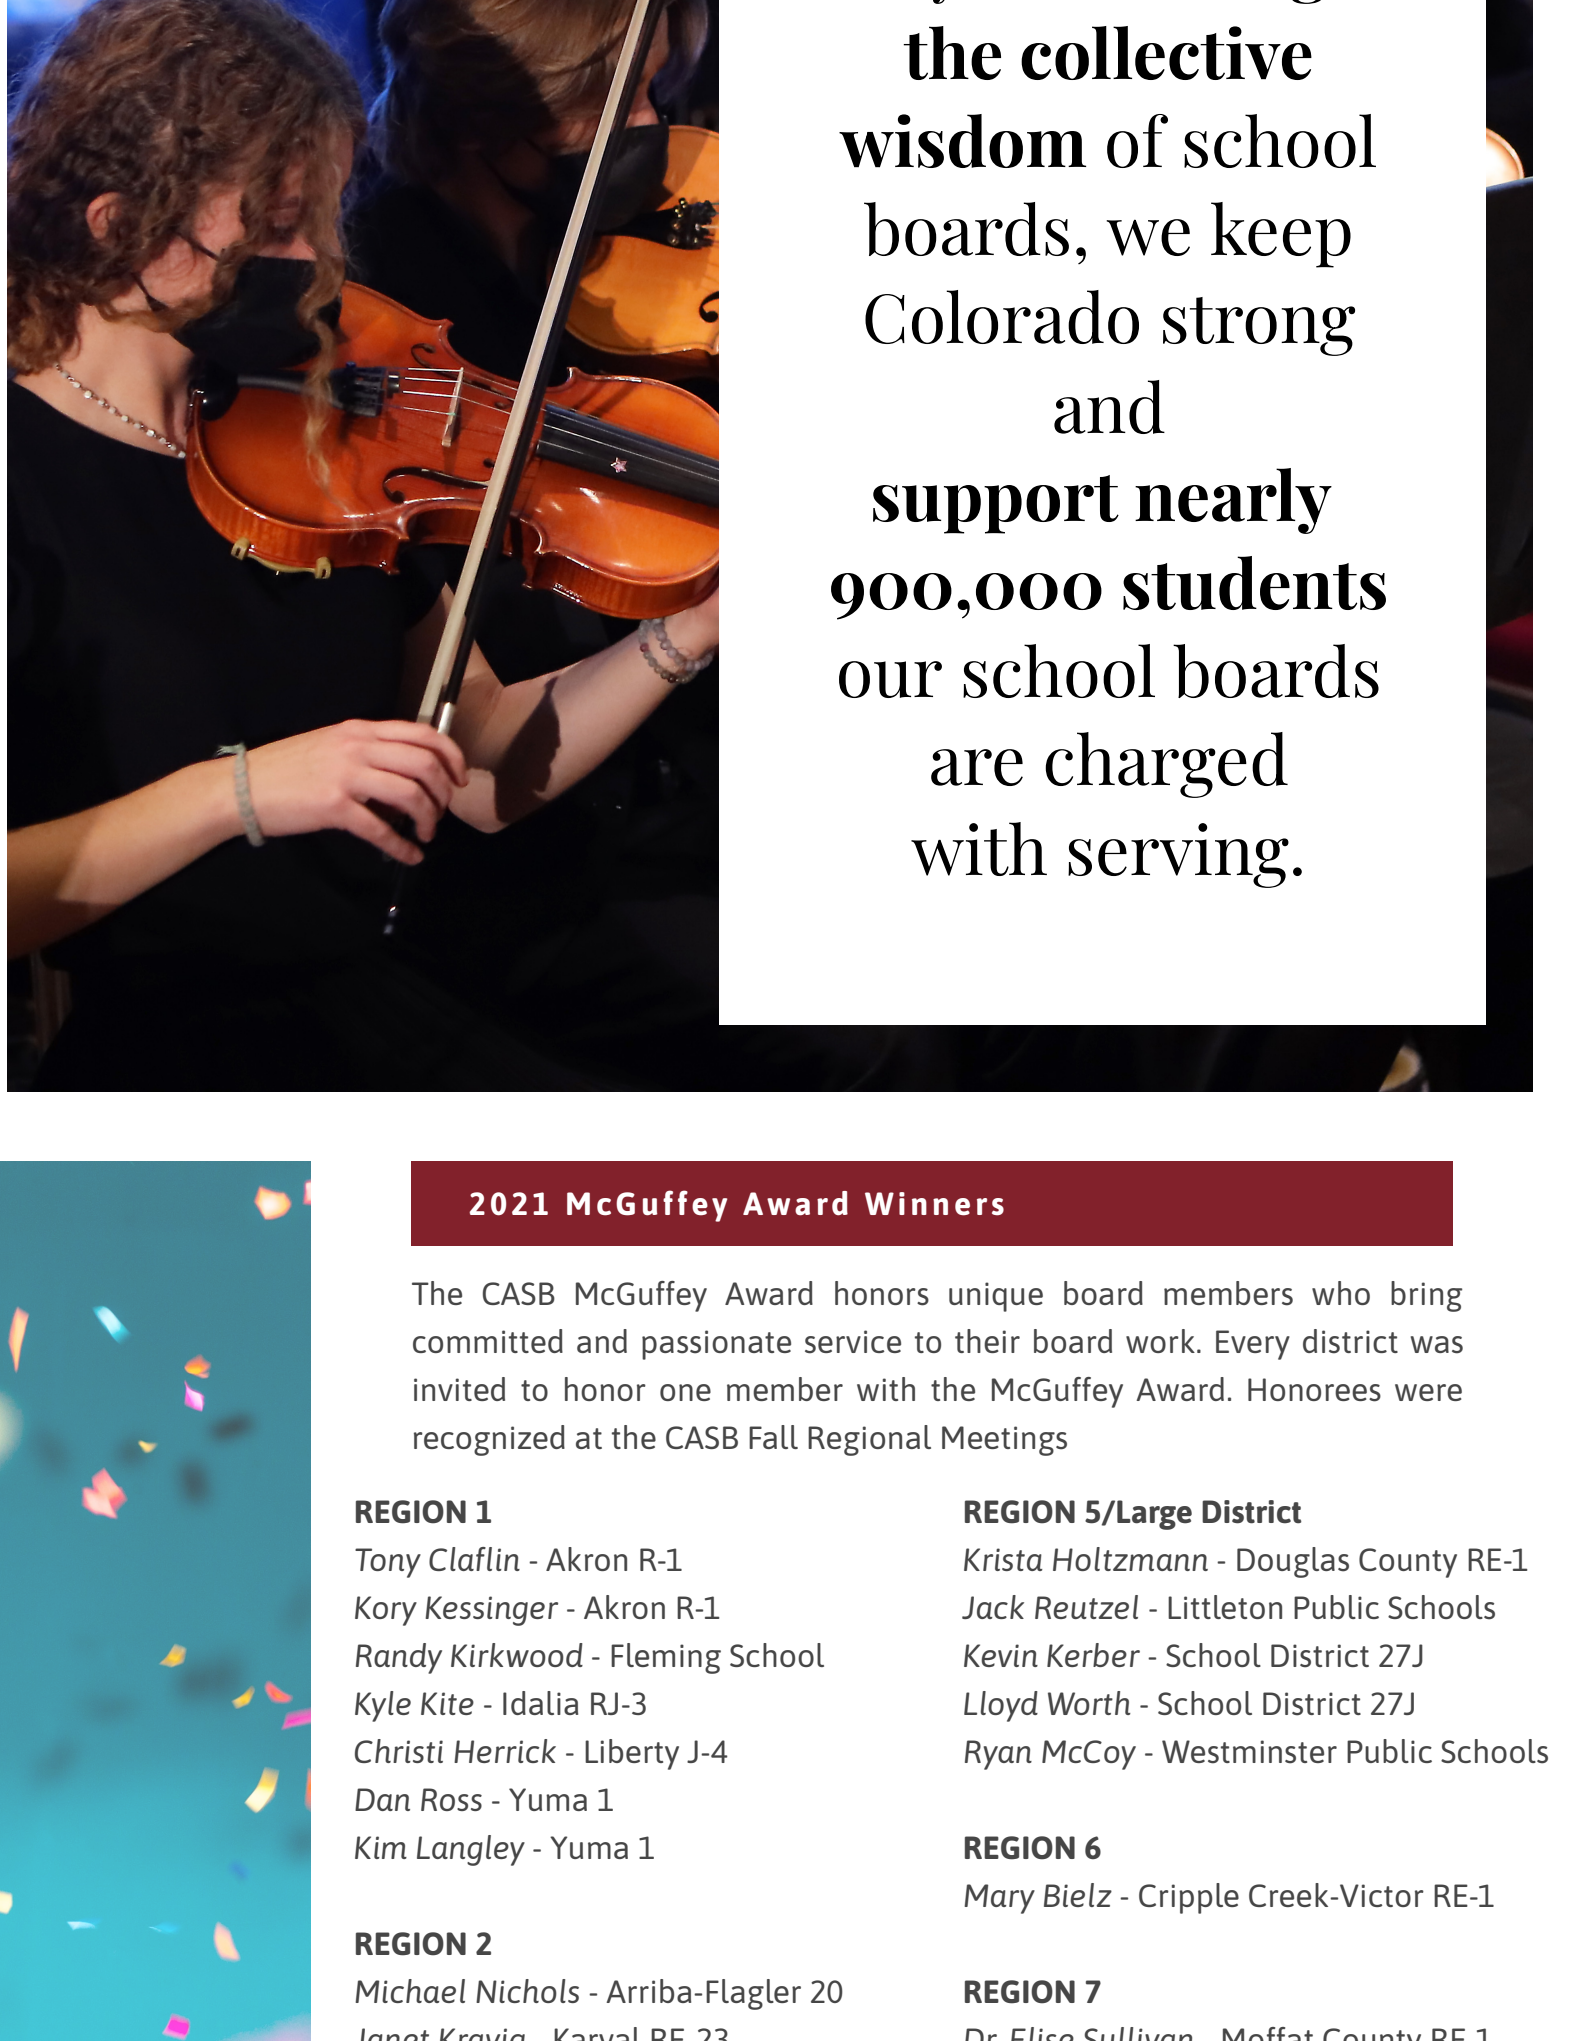

Fiscal Solutions
Strong, effective schools require adequate, equitable and sustainable resources.

Advocacy
Advocating for strong, effective schools begins with locally elected boards of education.

YOUR ASSOCIATION

The Colorado Association of School Boards is the only statewide organization that advocates for school board leadership in Colorado. We are dedicated to strengthening public education through our work, tools and services provided to our members. High-quality education for all Colorado children begins with effective school board leadership.

In order to achieve its mission, CASB uses its expertise and collective state presence to provide cost-effective services and information to enable locally elected boards of education to operate efficiently and effectively in an increasingly complex and resource-challenged environment. CASB is your association and your involvement drives our collective success.
