COLORADO ASSOCIATION OF SCHOOL BOARDS

BuyBoard is a FREE program

As a member of CASB one of the incredible cost-saving benefits available to your school district is BuyBoard (www.buyboard.com), our purchasing cooperative.

To establish your BuyBoard membership just follow these three simple steps:

1. Review the interlocal participation agreement at <https://www.buyboard.com/join.aspx>.
2. Complete and submit the online form.
3. Login information will be sent to your purchasing coordinator or designee.

Once the sign-up process is complete your school district will be on the right path to begin saving money by making purchases direct from an approved list of vendors that have already gone through a competitive bidding process.

Sign up and start saving today!

By combining the purchasing power of governmental entities in Colorado and beyond, BuyBoard is able to leverage better pricing on products, equipment, and services from a national network of trusted vendors that school districts use every day. With a wide range of offerings members will find almost everything needed to support their operations.

Further, because the competitive procurement process has already been completed, this provides members compliance with procurement requirements as well as a documented audit trail. Safe and secure, BuyBoard saves members time and resources that would have been spent preparing and conducting formal RFPs.

With no cost and no obligation BuyBoard is the preferred choice to supplant or supplement your current purchasing activities. Start using BuyBoard today to enjoy all the benefits membership affords your school district!

Still not convinced? Feel free to take a test drive by going to www.buyboard.com and in the member login area enter the following:

User ID: nsbademo
Password: Demo4you
