Legislative Alert: May 2, 2012

CASB ACTION ALERT!

SB 68, the Trans Fats bill, will be discussed on the House floor either tomorrow, May 3, or Friday, May 4. We are writing to urge you to call or email your House representative immediately and ask them to vote "No" on SB 68. Tell them that this bill imposes an unfunded mandate on all school districts, and that the federal government has already enacted regulations that will eliminate trans fats from public schools — we do not need to serve two masters, the federal and state governments.

Please click on the link below to go to our Capitol Contact service where you can send a provided email message to all Colorado representatives. Be sure to provide your name, zip code, email address and the board of education or school district you represent. We also encourage you to provide a personal message about the bill.
